

AHGSA Presents

# Eat Your Art's Desire!

**AHGSA** (Art History Graduate Students Association) invites any and all interested artists to participate in their potluck event 'Eat to Your Art's Desire', to be held on **Friday, March 10<sup>th</sup>, 2000**, at the GSA at 2030, Mackay. The event will be \$2.00 with an edible art piece, \$5.00 without.

This event will be held in conjunction with the International Conference Memory and Mapping in North America, and it is a great opportunity to meet people and experiment with an interesting medium: Food!

We are interested in nourishing interpretations of various works of art and architecture. Preferably, the work will be smaller in dimension so that it can easily be transported to and from the celebration. There is no limit on what kind of food you choose to use, just have fun with the medium! (Possibilities include a sugar-cube Parthenon, mint-patty Oldenbergs, and we can't even name the abundant possibilities of 'Duchampesque ready-mades!') If you are interested, please contact Loretta at (514) 483-4326, or e-mail her at [ahgsa@alcor.concordia.ca](mailto:ahgsa@alcor.concordia.ca).
